

What Are We Seeing? We are looking at the BEDROCK foundation of the Temple Mount area. Here we see a form of man. Note we have orientated this image South is up.

GPR RADAR With the advent of modern technologies such as multi-spectral and GPR i.e., ground penetrating radar. When this is accomplished, it reveals the shape of a Face. The faint parallel lines are called isobars and show contours of equal elevation. Over the many millenniums the original contours of the temple mount have become hidden, this is due to the natural accretion of soil and societal debris that have filled in the contours sometimes to the depth of 30 to 40 meters or more. It is found in the city of David. I find the FACE amazing!

Isaiah 29; As war approaches Jerusalem God declares vs11

Surely your turning of things upside down shall be esteemed as potters clay; **for shall the work say of him who made it he made me not?** or shall the thing framed say of him who made it he had no understanding?

Vs. 22-23 Jacob shall not now be ashamed, neither shall his face now wax pale.

When we obey the words in the book of Isaiah and turn things upside down (as seen above when Jerusalem is south side up) we see that the old city of Jerusalem can be seen from a photograph as a side profile of a man's face called the work

- We can only see it when we turn a map upside down.

Conclusion: The face of Jacob will provide a voice for Ariel. It will speak like a necromancer out of the ground, about the vision of Jacob proving God made it, and that vision will save Israel.

- ⁴And thou shalt be brought down, and shalt speak out of the ground, and thy speech shall be low out of the dust, and thy voice shall be, as of one that hath a familiar spirit, out of the ground, and thy speech shall whisper out of the dust.

While God is against Iraq/Babylon's idols, he states the portion of Jacob is not like them.

- Jer.51 17-19. Every man is brutish by his knowledge; every founder is confounded by the graven image: for his molten image is falsehood, and there is no breath in them. They are vanity, the work of errors: in the time of their visitation they shall perish.

TIMING FOR THIS MESSAGE

As the idols of Babylon Iraq are being destroyed, Jeremiah 50 has God stating.

- The portion of Jacob is not like them vs. 19
- Thou art my battle ax and weapons for war vs.20

In March 2021 Babylon/ Iraq began to be destroyed by, from Iran/Medes by smart missiles. Babylon's final destruction begins to be recorded in Jeremiah 50.

- vs.3, a nation from the north that will come against her.

We hear of arrows or missiles like smart missiles used today.

- vs. 9 of a mighty expert man; none shall return in vain.

Jeremiah 51 identifies Iran as the destroyer.

- vs.11.kings of the Medes (Iran): for his device is against Babylon, to destroy it; because it is the vengeance of the LORD, the vengeance of his temple.

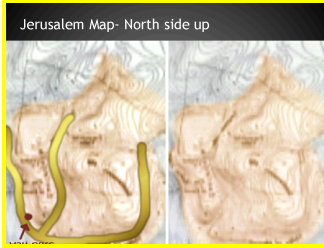

At the same time these events are prophesied, two events take place.

- Jer.51 vs.11 gather the shields. Mishnah 12 tells us in Bagdad tens of thousands of gold shield silver, gemstones were buried. This matches the 1QM War Scroll shield descriptions, The shield shall be bound

with a border of plaited work and a design of loops, the work of a skillful workman; gold, silver, and bronze bound together and jewels

A request is to be made.

- Jer.51.10 The Lord hath brought forth our righteousness: come, and LET US DECLARE IN ZION THE WORK OF THE LORD OUR GOD. Today my husband and I would like to decalre these things to Israel Years ago, I was looking at this map of the Old City of Jérusalem and drawn to it many times. One day, I flipped the map upside down and saw a side profile of a man's face, on the border of the city, as shown above. I asked God what it meant. Somehow, I was led to flip open my Bible, and it turned to Isaiah 29, where it said," Surely you're turning things upside down shall be esteemed as potter's clay. The face of Jacob will not wax pale". God called it' his work' and believes his children when they see this work will give honor to the HOLY ONE.

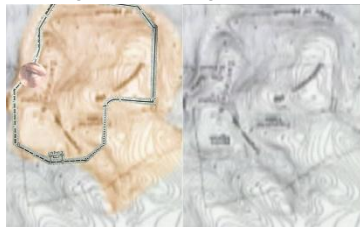

Letter Shin is on the Face (looks like a W)

The picture is of Jerusalem shown with NORTH as up a standard map view. It shows the 3 valleys forming the letter SHIN. It is important to remember that this shin is on the forehead,

Letter Shin means to call into remembrance. The Jews are to remember this when they see it and listen to the message, that being the vision of Jacob

Fountain gate means "The Eye of the Landscape." The true position of the ancient fountain gate was by the Eye. Colholzah built the gate. His name means to peer at a distance and see something remarkable
Isaiah 29, " The vision is a sealed book".

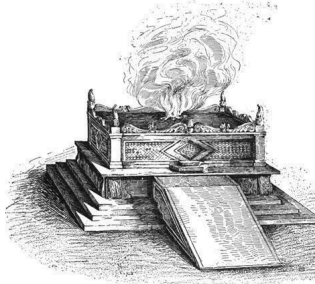

The Face is Anatomically Labeled

To understand the vision, we must first understand the face of Jacob beholding the vision. He is referred to as the dumb who will sing to teach the feeble hands for war in the War Scroll. (Also see. Isa.35) Isaiah 29,

- Shall the work say of him who made him God has not done this?
- A voice will speak like a necromancer out of the ground

'Gate of the Guard' = Mouth

The tongue is the rudder of the whole body. Men guarded their speech and diet.
